Dear ANIRUDH SHARMA

Ref: GWF084817607

Date of birth: 15 November 1994

Nationality: INDIA

Travel document number: C3692475

Your application for a United Kingdom (UK) visa has been successful.

This notice is not proof of permission to travel to the UK.

You have been granted entry clearance to the UK as SKILLED WORKER MIGRANT from 27 October 2025 until 16 November 2028.

It is important to check that your details above and on your eVisa are correct before you travel. If any of your details are incorrect, contact us before you travel by using the Report an error with your eVisa service on [GOV.UK](https://www.gov.uk/report-error-evisa) at <https://www.gov.uk/report-error-evisa>

What this means for you

You have been issued with an eVisa. An eVisa is an online record of your immigration status and the conditions of your permission to enter or stay in the UK.

You need a UKVI account to access your eVisa. The **next steps** section tells you where to find information on how to create your UKVI account or what to do if you already have a UKVI account.

Your eVisa may not be available to view in your UKVI account immediately. It could take a few hours from when you receive this notice.

Check your details before you travel

When you access your eVisa, check that your details included in the box at the top of this notice and on your eVisa are correct before you travel, for example your type of permission, when it expires and your conditions of stay. If any of your details are incorrect, contact us before you travel. You can do this using the Report an error with your eVisa service on [GOV.UK](https://www.gov.uk/report-error-evisa) at <https://www.gov.uk/report-error-evisa>.

If your personal details or travel documents have changed, you will also be able to check and update these. This includes making sure your current travel document is linked to your UKVI account so that you can travel to the UK. You can do this using the Update your UKVI account details service on [GOV.UK](https://www.gov.uk/update-uk-visas-immigration-account-details) at <https://www.gov.uk/update-uk-visas-immigration-account-details>

Most carriers should be able to check your immigration status automatically. It is your responsibility to check the entry, exit and transit requirements of other countries, and you may be asked to show evidence of your UK immigration status to authorities there.

You may be delayed or denied boarding by carriers if your information is incorrect.

Further support on travelling with your eVisa is available on [GOV.UK](https://www.gov.uk/guidance/making-sure-your-evisa-is-correct-before-you-travel) at <https://www.gov.uk/guidance/making-sure-your-evisa-is-correct-before-you-travel>

Future visa applications

If you are on a route that allows you to count this permission towards the qualifying period for settlement in the future, you need to be aware that the time between your visa start date and the date you arrive in the UK may be considered an absence from the UK. If you exceed the absence limit, your continuous residence may be broken, and this means you would need to start the qualifying period again.

Yours sincerely,

UK Visas & Immigration, Home Office

Sharing information about your permission to stay/settlement in the UK (your immigration status)

Employers, landlords in England, public service providers, or other organisations may need to check your immigration status, for example, to check whether you are allowed to work, rent somewhere to live or access public services.

You can use your UKVI account details to sign in to the view and prove service on [GOV.UK](https://www.gov.uk) at <https://www.gov.uk/view-prove-immigration-status> to share your status information.

For accessing services provided by UK government departments and other public authorities, like benefits and healthcare, relevant information about your immigration status will increasingly be available automatically. For more information go to <https://www.gov.uk/guidance/living-in-the-uk-applying-from-within-the-uk>

When your permission to stay ends

If you have not been granted settlement and want to stay in the UK after your current permission ends you must make a new application for permission to stay before your current permission ends. We recommend you apply no more than 28 days before your current permission ends. Details of how to do this can be found on the [GOV.UK](https://www.gov.uk) website.
